

Genie Forklift

Genie is a globally acclaimed corporation that enjoys the spirit of alliance with their extensive network of connected clients. Genie Industries prides itself on the intention of bringing materials and people higher and extending further beyond the products they manufacture. Genie Industries strives to help clientele build their operations no matter how large or small the scale of undertaking may be.

The inauguration of the Genie Hoist in 1996, a pneumatic, transportable material lift initiated the opening of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to meet consumer demand. These progressive products secured international acknowledgment and established modern product design.

Genie Industries is currently a subsidiary of Terex Corporation. Maintaining leading quality manufacturing and uncompromising service and support are among their top priorities. With clients from Helsinki to Hong Kong and Denver to Dubai requesting the unique blue coloured forklifts on the jobsite, the business is self-assuredly grounded in their exceptional consumer service and values. Acknowledging that their users are their greatest inspiration, the team at Genie Industries are personally committed to providing expertise and maintaining customer rapport.

The meticulous team is continually committed to recognize the most green and efficient, environmentally accountable methods to develop the products the customers want. The company's lean manufacturing practices help limit waste while offering the highest quality merchandise possible in the shortest timeframe at the least expensive cost to the client. The team at Genie Industries is proud to serve the industry and this is reflected in every creation they manufacture. Always welcoming consumer contribution enables them to design and cultivate innovative new products that are straightforward to service and use, deliver optimum value-for-cost and meet worldwide standards. Thriving on consumer opinion enables Genie Industries to persistently evolve and meet the consumers' needs.

Genie's service professionals are readily available to provide solutions to the queries you may have in order to keep you fully operational. Their extensive components network will swiftly send parts to guarantee their customers' machinery are running efficiently. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on client success. They build and service their products to boost performance and uptime on the job. Delivering on-going training opportunities, to marketing support to adaptable financing possibilities, Genie Industries offers their customers the tools to get the most out of their investment.
